New Member eProfile How-To Videos

Valued Clients,

ClaimSecure is proud to launch our new exclusive eProfile How-To videos... this will make the Plan Member experience even easier than before.

Whether at home or on the go, your employees will learn how to navigate their way through a unique health claims journey with the help of quick in-house tutorials accessed directly from the eProfile home screen. From an overview of our mobile and desktop application, to submitting Estimates or Photoclaims and searching for local service providers who support direct deposit, Plan Members can take advantage of a self-serve experience at their fingertips.

Simply click on the "Learn More" tile on the home screen to access these new videos.

Also visit us at www.myeprofile.ca for a summary of all the eProfile features. Member eProfile... just a click away.
